Conditions for Issuance
Of
Picnic Permit

1. The immediate area used for the picnic will remain open to the public and will not be closed off.

4. Any materials or supplies (e.g., cookware, tables, chairs) brought in for the picnic will be removed from the park afterwards. No materials or supplies may be affixed to any natural feature or historic resource. No holes may be dug or caused to be dug in the ground to support any supplies or equipment, including but not limited to, stakes or wickets for games such as croquet, badminton, or volleyball.

8. A county-wide burn ban may be in effect at the time of this activity. If so, open fires are not permitted. Generally gas (propane) cooking is still allowed at 4th of July Beach, but this too may be prohibited if fire conditions are too severe. Plan accordingly!
9. A park ranger will monitor the picnic to protect park resources and resource values and has the authority to modify permit conditions or revoke the permit entirely to avoid jeopardizing these resources and values.
